Quality education in a caring environment

September 5 2011

Dear Parents,

Industrial Action Thursday 8 September

The NSW Teachers Federation has directed teachers to stop work for 24 hours on Thursday 8 September.

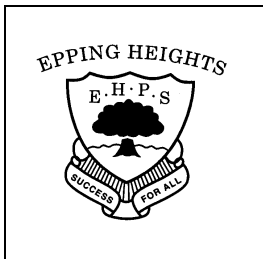

The large majority of staff at Epping Heights Public School will be supporting their union's request. There will only be 1 teacher present on Thursday and therefore only minimal supervision can be provided.

In anticipation of the nature of the day, I appreciate the effort parents will make to organise alternative arrangements for care of their children.

I am aware this decision will present difficulties for some parents but ask for your understanding.

Sincerely,

Julie Hanley
Principal
